**SUMMER CAMP** - We managed to hold a Camp this summer for the Scouts. On 21 June the Government changed the rules, we could take max of 30 Scouts away camping under some restrictions. This was a challenge. We had to ask the Scouts if they wanted to go away on camp, find enough leaders to help run it, find a field to camp in, sort out the activities, food, transport, equipment (a lot is stored at a local farm) and a detailed programme. Plus produce a camp booklet, which everyone who attended got a copy. I only had four weeks to organise our summer camp, which normally is done in nine months.

The Scouts would be in a bubble and have to sleep in their own tent, we would have strict hygiene rules to follow and have to do lateral flow tests.

A site was found in Oxfordshire, Britwell Salome, in a forty-four acre field, with a wooded area in one corner, so we had plenty of space. Six Troop leaders were able to camp for ten days. The next thing was to send a letter to the Scouts. We had six spare spaces, so we offered them to first six Littlewick Scouts who replied, these places were filled within a couple of days and we ended up with a waiting list.

The next challenge was to sort out the activities, we were lucky that we were able to organise shooting, thank you to PG instructors *Darran Cottington, James Woodward & Ali Butler* for running this activity; Archery thank you to instructors *Matthew Milston & Pete Matthews* for running this activity; Rafting and climbing, thank you goes to PG instructor *Rob Ayre* for running these activities. We were also able to organise a lot of other activities run by the leadership team, these activities included, making rope ladders and using them to climb tall trees, hiking, building a shelter and sleeping in hammocks, volley ball & cooking competitions as well as the normal camp scouting activities, training and games. One strange activity was having to do Lateral Flow Tests, on arrival day and every 48 / 72 hours, plus day we went home.

Covid caused a few Scouts problems, six scouts were in isolation and arrived a few days late and a couple were not able to attend due to the virus. We had to take extra equipment, due to social distancing each Patrol had two dinning shelters / tables to given them more space. We also took a party tent so we could have a clean big area to do the lateral flow test. Another challenge was having to empty and clean the *elsan* toilets every day.

As we had not been able to hold a summer camp for two years, we had twenty-two Scouts who had not been on a Scout camp before, they all did very well working together in their Patrols, learning cooking skills, including cooking their meals on wood, and surviving camping in strong winds and rain for part of the camp.

Congratulations goes to *Panthers* for winning the volley ball competition and *Swifts* for winning the camp competition.

Thank you goes to parents who helped with preparations for the camp and Leaders *Myles Rankin* who was able to stay for three nights and leaders *BoB Weingarth, John Bannerman, Rob Ayre, Peter Marshall, Matthew Miller, Callum Kunchur* and *Nick Conacher* for all their help.

We updated the web site every day at camp, with photos. PG's web site [www.pgscouts.org.uk](http://www.pgscouts.org.uk) .

**2022 Summer Camp** – next years camp, plans are underway, it will be further away so we can do different activities, possibly to Cornwall Dates will be Friday 22 July 2022 to Friday 4 August 2022 with the younger Scouts going for a shorter time. Scouts parents will be getting a letter this month.

**Summer Holidays** - we continued to run meeting during the summer holidays, activities included wide games, some challenge events as well as some basic cooking, we have had a good number of Scouts attending the meetings.
