Euro Jamboree

We have another member of PG *Alba Standen* Winter Hill Cub Young Leader, who has been selected by the District to go on the Euro Jamboree in Poland in August 2020. She will be joining Winter Hill Scout, *Kyle Dixon*

Follows is a report written by Alba:

In the summer of 2020 I have been selected to travel with 36 other scouts and explorers to the European Scout Jamboree that will be held in Gdansk Poland. This will be the first one held in over 20 years and it is a very exciting opportunity for me and the 4000 others in the UK going. We will meet over 30,000 people from different backgrounds and learn about their own interesting cultures.

In preparation to go, we had our first official training camp last weekend, it was really fun and a fantastic introduction for what is in

store for us. I got to meet all the people and we got put into patrols. We did water sports which included bell boating and dingys we camped in a hall and made go karts. We also learnt about cultural awareness and what we value as a unit. Finally we came up with a unit name ‘RoyalTea’.

I need to fundraise £1500 before summer 2020 therefore I will be helping out and doing events to raise money have this once in a lifetime opportunity, for instance, *Kyle* and I will be running a quiz night 29 February please come along and have an enjoyable evening. I am also offering **babysitting services**. If you are interested or would like more details, please call or text me at **07709 582000**

Follows is a report written by Kyle:

On the 20th September to the 22nd of September, I went to a camp with my European Jamboree unit 'Berkshire Royal-teas' called Explode. On this camp, it was mainly explorer units, but it also included the World Jamboree, and the Project Africa groups.

On Explode, Friday was mainly just setting up, and getting to know people in our unit, as this was mainly a social camp. Saturday was where all the action happened though. During the day, there were a lot of activities that were run by various scout leaders. These activities included: mop hockey, laser tag, a bull rodeo, glass engraving, paracord making, mini golf, a cave bus, shooting, archery, axe throwing, and many more. Saturday also happened to be my birthday, which was great fun. On Saturday evening, there was a neon party which was amazing.

Sunday was a camp competition, with different activities and sports going on, such as: volleyball, football, obstacle course relay. After this, we were just packing up.

BEAVER NEWS

This month the Beavers have been busy once again. They have enjoyed making clay models. I must say I was really impressed with their designs. We had some dogs, bricks and emojis. We had an evening of roasting marshmallows over candles which made an interesting change and challenge to roasting over a traditional campfire. The Beavers also learnt about harvest and how to be a good and helpful Beaver.

The Beavers will earn their digital citizen badge where they have to do simple tasks on the computer like draw a picture, search something they are interested in and send an email. We will also say goodbye to *Zack Perrott*, *Alfie Booth* and *Bertie Cox* who swim up to Cubs. I would like to take this opportunity to wish them well at Cubs.

Still to come we have the Beavers' annual Halloween party run by Scouts and experiment badge where they will be performing some exciting experiments.

CUB NEWS

Winter Hill Pack

We have had a busy few weeks since the last edition of PG Tips. We have enjoyed awarding the many activity and challenge badges that the cubs earned at Family Camp – plenty of sewing to be done!

This month, we invested *Bertie Cox*, *Alfie Booth* and *Zack Perrott* into cubs after swimming up from Beavers as well as *Florence Prescott* and *George Clarke* who are new to the Group. We welcome the cubs and their families to the cub section. We said goodbye to *Oscar Mastrilli*, *Gabe Nicholson* and *Finn Cochrane* who have been invested into scouts. We wish them well and look forward to seeing their scouting careers develop further in the future.

This year, instead of attending a Harvest Festival service, we learnt about the work of the local Food Share charity. The cubs listened really well and produced some fantastic adverts for the charity. The following week, they brought in food items, which have been donated to the charity. Thank you for all your donations.

At our weekly meetings, we have played lots of team games and completed some problem solving activities as part of the Teamwork and Skills Challenge Badges. We also went on a walk around the local area (as part of the Hikes Staged badge) and answered questions about the things we saw on the way. We just about managed to whole route before it got too dark but the last 500 metres through the woods were exciting! We are looking forward to the fun activities of JOTA/JOTI as well as completing the requirements for the Digital Citizen badge.

Don't forget to book tickets for the trip to Maidenhead Pantomime! This year's panto is *Dick Whittington*. The Beavers, Cubs and Scouts will be coming to the performance on Wednesday 11th December and tickets are £8 each (group discount). Please let me have money as soon as possible.

WH Akela (Rob Harris)

Littlewick Pack

Our Cubs visited St Johns in Littlewick, very kindly hosted by *Richard Moores* - one of our Church Wardens, to find out about harvest festival and give our offerings for the Church to distribute locally, thank you Richard. The following week was World Space Week so the Cubs had astronaut training, after a space quiz we practised memory tests with 'Kim's game', showing the cubs that working in a team improved their results. Space game let them blast off, walk in space and moon walk, then we lost radio communication during our next team challenge leaving the cubs to try and build the tallest paper tower using only non-verbal communication with some interesting results. We then invested our new Cubs, *Ola Reczynska*, *Riley Mulcahy*, *Isabella Keane*, *Leonardo Stephen*, *Douglas Stewart* and *William Cook*, welcome all !!

In August our Young Leader, *Matt Miller*, spent some time in Uganda as part of Berkshire Scouts Project Africa, an international community development programme to help our young people understand the lives of their peers in an African country and to provide support to projects in Uganda. *Matt* had an amazing trip and talked about his experiences to our Cubs with lots of photos, followed by a number of African themed team games for the Cubs to play. Our Winter Hill Scout leader *Simon Wheeler* invited us to complete the Digital Maker staged badge at Winter Hill in advance of the 62nd JOTA (Jamboree on the Air) and 23rd JOTI (Jamboree on the Internet).

Littlewick Troop

A MASSIVE CONGRATULATIONS to our four Gold Chief Scouts Ben, Will, Eva & Charlie. The Gold Chief Scout Award is

the highest award a Scout can earn and requires over 200 badge requirements to be completed. We are INCREDIBLY proud of you! Also we had the absolute pleasure to invest our four new Scouts- Ben, Fabien, Freddie and Ben- welcome to the Troop! This month we had a fantastic weekend adventure! We spent a day vlogging in Windsor where the Scouts went exploring and found lots of exciting things to do such as mini golf and filmed themselves doing it. We hiked back to the Scout hall, the Scouts cooked us dinner then used their new iMovie Maker skills they learnt at Three Mobile last month to edit their vlogs and we watched them on the massive screen. We had a sleep over at the hall and got up bright and early on the Sunday to hike to the woods near the Shire Horse Pub. We spent the entire day in the rain coppicing trees for the National Trust. Given the terrible weather conditions and the fact that not much sleep had been had the night before the Scouts did a fantastic job!

LG Assistant & Scout Leader (Kim & Michael Crown)
