## BEAVER NEWS

### Littlewick Colony

Littlewick Green Beavers have been busy again.

We started the new term with our first log chew of the year and an opportunity for some of the older Beavers to share with us their inventions. Last week we welcomed new potential Beavers and we had our first film night at the hall. Young leaders *Dylan* and *Connor* were excellent popcorn makers-thank-you boys.

This week we are excited about our night hike and investing *Malak*.

**Rainbow Littlewick (Sarah Brodie)**

## Winter Hill Colony

We hope you had a good Christmas and New Year, and wish you all the best for 2022

The first week back we welcomed our new beavers by playing getting to know you games and introducing everyone and how we do things at beavers.

Second week the beavers focused on morse code. With torches they learnt simple phrases including SOS. The beavers were also asked to bring in a phone number of a parent or carer. The beavers were then tasked with learning the number, In case they were ever in need and had to ring them.

We then did endangered animals, they were painting them or making play dough animals.

This month *Dylan, Ernest, Freddie* all swim up to cubs. We wish them well on their continued scouting journey. We also say goodbye to *Megan* who leaves us and will be taking up gymnastics. Good luck!

## CUB NEWS

Wednesday 23 February, during Half Term, the Scouts will be running a special evening for the Cubs, an incident hike on the green and in the woods, opposite the Scout Hall.

## Winter Hill Pack

Here's what's been going on since the last update:

### **Treasure Island Pantomime - 9th December**

Before Christmas a group of us went to see Treasure island at Holyport hall. We got dropped off and sat next to our friends. It was really funny with lots of silly jokes and there were great actors in it. We all had fun shouting at them and saying "it's behind you" and shouting "boo" when the villain was on stage.

My favourite person in the play was The Dame who was the funniest as they had the silliest jokes. It was a great start to Christmas.

### **Fencing and Morse Code**

This week we had a very exciting lesson on fencing and morse code. In fencing, we had a man come in to show us how to fence and show us how to stay safe while fighting. The most important thing in fencing

is balance. Balance is very important in fencing because if the opponent is trying to stab you it is important that you stay on your feet. Whilst we were fighting we had to wear these masks to protect our faces

When we did morse code we went to the field in front of the hut. It was very dark out so it was good we were doing light morse code. It worked like this: we would stand in a line and wait for our turn to do a word. How we knew how to do the word was we had a sheet with all the letters and what light signals we should do for the other team to understand. While the other team was on the other side of the field we stood at the other end and we thought up our word, our first word was CAN. We did this for about half an hour and then my feet were frozen. After about another 10 minutes we did the morse code and went in.

## SCOUT NEWS

### Littlewick Troop

We restarted the term on the 10th January after our Christmas break.

For the first meeting of term, the scouts had to design a breakfast cereal in small groups. To do this they needed to decide on what was in the cereal and design the box with a logo. Each group then pitched their idea to the rest of the scouts and at the end we had a vote on which was the best. Flavours and themes varied, but sugar content was generally high.

For our most recent meeting, inspired by last month's *PG Tips*, the scouts built cages out of canes that could fit a scout. This was before trying to fit them with as many scouts as possible.

We look forward to getting stuck into a full term and will be strengthening our patrols by appointing some new APLs soon.

**Scout Leader Littlewick** (*Mark Courtier*)

### Winter Hill Troop

The new year started off with a challenge in teams of 3 to design and build the tallest free standing tower out of lolly sticks, the Scouts came up with some interesting structures.

The following week in peer groups, the Scouts wrote an *Expected Code of Conduct*, before all the Scouts came together to discuss it and decide and agree on the final version, which they took home and discussed with their parents.

The scouts tried to play a new version of noughts and crosses using nine chairs and eight Scouts, it needs to be worked on, and we nearly got it working.

We then did a knotting activity which in pairs the Scouts had to construct a swing that would take their weight without them falling off it.

We had three Scouts *Alexandros Antonas*, *Tom Atkinson* and *Noah Thomas* join thirty other Scouts on the District Patrol leaders Training course. They learnt how to work in groups, and how to improve their job as a Patrol leader.

This year we are holding a Troop Weekend Camp over the weekend 6 – 8 May 2022. **We are looking for a parent volunteer to drive a lorry** over on Thursday 5 May and one for the return trip on Sunday 8 May. So far we have confirmed that we will be doing archery and shooting. The instructors have all confirmed they can run the activities for us. The camp will teach the Scouts basic camping skills, we will be using the patrol system and the Scouts in their patrols will be cooking all their meals on wood fires.

We are looking for Old 12 volt Car Batteries to replace the ones we have that no longer hold their charge.

**WH Scout Leader** (*Simon Wheeler*)
